SPECIAL NOTICES.

BEF TONS OF GRAPES AND THEIR USE. -It is astonishing to see the large quantity of grapes of the finest quality, and large clusters, that are each year mashed up for Wine, at the Vineyards of A. Speer, Passaic, N. J. Mr. Speer raises the Oporto Grape; also purchases large quantities from which he makes his celebrated Wine, without the admixture of alcohol or spirits. This wine is found by careful analysis to be the best wine in market for invalids and debilitated persons. It is called Speer's Port Grape Wine, and is sold by druggists. A. E. P. ALBERT, Professor in Nicholas Pub-lic School, Parish of Ter-

You are at liberty to use my name in praise of your Regulator as prepared by you, and re-commend it to every one as the best preventive for Fever and Ague in the world. I plant in southwestern Georgia, near Albany, Georgia, and must say that it has done more good on my plantation among my negroes than any medi-cine I ever used. It supersedes quinine if taken in time. Yours, &c., Hon. B. H. HILL, Ga. CHILDREN!-Your Reg-

ulator is superior to any other remedy for Malarial Diseases among children, and it has a large sale in this section of Georgia.—[W. M. Russell, Albany, Ga. CONSTIPATION.

TESTIMONY OF THE CHIEF JUSTICE OF GEORGIA.-I have used Simmons' Liver Regulator for constipation of my bowels, caused by a temporary derangement of the liver, for the last three or four years, and always, when used according to the directions, with decided benefit. I think it is a good medicine for the derangement of the liver—at least such has been my personal experience in the use of it.

EDITORIAL-We have tested its virtues, personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world eversaw. Having had during the last twenty years of my life to attend to Racing Stock, and having had so much trouble with them with Colic, Grubbs, &c., gave me a great deal of trouble. Having heard of your Regulator as a cure for the above diseases, I concluded to try it. After trying one PACKAGE IN MASH I found it to cure in every instance. It is only to be tried to prove what I have said in its praise. I can send you certificates from Augusta, Clinton and Macon, as to the cure of horse.

Fish Bill. The following bill is now before the Legislature of Virginia:

A BILL for the protection of fish in all the waters of the Commonwealth. 1. Be it enacted by the General Assembly of Virginia, That it shall not be lawful for any person to catch or destroy, or to take any fish in or from any of the waters of this commonwealth above tide water, by means of any seine or net, or trap of any kind, or by any other means whatsoever, otherwise than by angling with a hook and line, for six years from the passage of this act: provided, that none of the provisions of this act shall hinder or prohibit the commissioners of fisheries, or their agents, from catching or taking fish from any of the waters of this State, at such times and by such means as may seem proper to them: and provided further, that nothing in this act shall be understood to forbid the use of a hand or min-

now net in taking small fish to be used for bait in angling. 2. It shall not be lawful for any person to kill or capture mountain trout (salmo fontinalis), in any of the waters of this State between the fifteenth day of September and the first day of April, of each year, by any process whatsoever, nor at any other time, except by angling with hook and line. Nor shall it be lawful to kill or capture any river bass (commonly called black bass) or black perch, or pond bass (commonly called Southern chub) between the fifteenth day of May and the first day of July, of each year; nor shall it be law-

ful to shoot or spear cither species of these fish at any time. 3. It shall not be lawful for any person to have in his possession during the time in which the taking of the same is forbidden in the foregoing sections, any fish therein forbidden to be taken, or to buy or sell, or make any use of such fish within said forbidden period, under the penalties of this act; and said possession, sale, or use shall be deemed prima facie evi-

dence of its violation. 4. It shall not be lawful for any person or corporation to use fish berries, lime, or giant powder, or dynamite, or any other explosive

article, for the destruction of fish. 5. Any person or corporation offending against the first, second, third, and fourth sections of this act, shall be guilty of a misdemeanor, and on conviction thereof in any court, or before a Justice of the Peace, shall be fined in the sum of twenty dollars for each offence, and shall be imprisoned till said fine is paid, but not exceeding thirty days; and it shall be the duty of the Sheriff of the county or corporation, in which the offence is committed, to prosecute the offending party promptly and vigerously; and in every case of wilful failure to perform this duty, he shall, on complaint by any person to the county or corporation judge, be fined not less than ten dollars nor more than twenty dollars. In addition to the penalty above specified, the offending party shall forfeit all boats, nets, or other illegal contrivances, pay all costs of suit, and the charges incident

to the capture of said illegal contrivances. It shall not be lawful for any person to molest or damage any fish eggs or young fish in the boxes or troughs of the fish commissioners or their agents, or any private individual engaged in the artificial breeding of fish, or injure the boxes, troughs, dams, or ponds, or other apparatus of said commissioners and agents, under the penalties of the fifth section of this

7. It shall be the duty of the judge of each county or corporation court to give this act in charge to every grand jury, whose duty it shall be to present every infraction thereof, not reported and proscented by the Sheriff, and the commonwealth's attorney for each county and city shall diligently prosecute every such viola-

tion of this act. S. All acts and parts of acts in conflict with

this act are hereby repealed. 9. This act shall be in force from its passage.
